

Dear Bill:

According to Dennis' calendar
Dad you will be seventy
on September 24, and we
therefore want to send you
our very best wishes - for a
happy birthday, and many
more happy years to come!
We wish we could have
come to Washington to be with
you on that day - but...
maybe we could meet at
some later date and celebrate
then!

We now find for us to
return to Dep. We shall
leave tomorrow morning
and expect to arrive in
the day after tomorrow.
I have some things to talk

over with Hell. REF ID: A22632059
They are to be where
we expect to arrive on the
22nd.

We have been away from
you since April 20, a very
long time, and I am anxious
to see what progress Sherriff
has been in the field and
the laboratory.

We do hope that both
Sijawesh and yourself are
in good health, and we
send you both our best
best wishes and greetings.

Affectionately

A. M. D.
